### HOMEOWNER COMMUNICATION

May 15, 2017

Dear Residents,

There will be a General Meeting for all Heatherbrook Residents **Thursday, May 25<sup>th</sup> at 7:00 p.m.** at the Valley Ponds Clubhouse. We also have the following updates for the community:

- 1) **Mulch.** Weather permitting, this is expected to be done mid-May.
- 2) **Tree Trimming/Thinning.** This is on the schedule during the summer.
- 3) **Paving.** We expect this to happen late May or early June. We are still waiting for an exact date, but please be advised there will be NO PARKING in the guest lots beginning the evening prior through the day of the paving. As always, there is no street parking permitted anywhere on Heather Way or its side streets. If you do not have room in the driveway or garage for your guests, cars can be moved temporarily to Valley Ponds Drive as a last resort.
- 4) **Entrance to Community.** We have already replaced the American Flag and we anticipate re-doing the front landscaping and signage this summer.
- 5) **Yard Sale.** Heatherbrook is invited to participate in the Valley Ponds Community Yard Sale on Saturday, June 10<sup>th</sup> between 8:00 a.m. and 12:00 p.m.
- 6) **Website.** Please visit our new website at <http://heatherbrookhomes.info> and register there to receive news about our community much more quickly and easily.

We hope to see everyone at the meeting. Please send any items you wish to add to the agenda to the Board at the above email address or by using the contact form on our website.

Best Regards,

Heatherbrook Homeowner's Association
